With \$250 in your checking account, you don't pay us — we pay you.

Checking accounts at BrazosBanc are free with a \$250 minimum monthly balance. We pay you 5.25% (the maximum permitted by law) for every dollar in your account — regardless of balance.

Funds in excess of \$2,500 earn a variable rate not less than the average paid on Money Market Funds.

Most banks charge for checking, require a high balance for no charge or levy a "per check" fee. At BrazosBanc, keep \$250 in your account and write all the checks you need. There are no "hidden" charges.

For an interest bearing checking account without charges, come to BrazosBanc.
